Value of Product Distributed - \$4,362,320

West OHIO FOOD BANK Programs and Services

During the '08-'09 fiscal year, the West Ohio Food Bank provided ***4,362,320 pounds of grocery type items, or the equivalent of 3,408,062 meals*** through a network of over 170+ smaller member charities directly feeding hungry people throughout 11 counties. Our service area includes Allen, Auglaize, Hancock, Hardin, Mercer, Paulding, Putnam, Seneca, Shelby, Van Wert, and Wyandot counties.

The Food Bank must take advantage and consistently search out food and household items [accomplished through affiliation and membership within the **West OHIO FOOD BANK** - Network]. The following programs are provided:

Feeding America (formerly America's Second Harvest) Donated Program - Offers donated foods from national companies (and national companies with local presence), which may carry a service maintenance charge of up to 18¢ per pound.

Ohio Association of Second Harvest Foodbanks and State Legislative monies we are able to provide:

Fresh Produce Initiative Program - Offers unprecedented donations of fresh fruits and vegetables, chickens & eggs from small family farmers throughout Ohio. WOFB distributed over 1.2 million pounds of produce.

Ohio Food Program - Nutritious shelf-stable food includes high protein items such as peanut butter, ground meats, tuna fish, received throughout the year for emergency pantries/emergency meal sites.

USDA - Federal Commodities Program - Nutritious variety of food items to supplement agencies' "food mix" in meals 'bagged up' by emergency providers or 'served hot' at meals sites provided monthly during the year.

Reclamation and Recovery Program - Currently operated in a room dedicated to sorting, cleaning, repackaging food into boxes. Grocery store items are received from CVS, Wal-Mart, and Kmart stores [through membership with Feeding America] as well as all food/grocery items received through local food drives. All items received as a result of food drives by schools, organizations and businesses throughout the year are processed through this program.

Mobile Food Pantry - Started 7 years ago to deliver quantities of food (as much as 10,000 lbs.) to designated distribution sites [so that a church or other qualifying non-profit organization can distribute those goods to needy families] in a farmers market-like atmosphere from folding tables set up in their parking lot for the occasion. This enables willing groups to become significant players in meeting their area's need without burdening them with the need for a permanent food storage/distribution facility, or the need for volunteers to drive to Lima to pick up food. [The fee charged for this service is only pennies on the dollar compared to the value of the food.]

Commodity Supplemental Food Program (CSFP) Senior Citizens Food Box - CSFP is a federal funded program for people who are 60+ years of age and whose household income is 130% or less of the federal poverty guidelines. Each month we provide a 32-40 lb box of nutritious food to 1,327 seniors throughout WOFB's 11 county service area.

WOFB Senior Citizens Food Box - WOFB has been providing seniors in Lima with food boxes the past 8 years. We currently provided almost 300 seniors (50+ years old at 200% of poverty), living independently, and Section 8-housing challenged adults in seven housing complexes with nutritious food items each month to supplement their pantries. (These numbers are down from 500 monthly due to qualifying for the CSFP program.) Limited funding restricts the expansion outside of Allen County. Currently UW of Greater Lima (UWGL) helps fund this program.

Lima City Schools Weekend Back-Pack -During '08-'09 academic year WOFB provided 500 elementary students within 5 schools a back-pack of nutritious food to take home on Fridays. These students are on free/reduced lunch &/or breakfasts. Without the Pack-Pack Program most of children may not eat from lunch on Friday until they arrive at school on Monday morning. Due to the success and requests, we provided summer bags (10 wks) to 250 students. Currently UW of Greater Lima (UWGL) helps fund this program.

Community Disaster Relief -During natural disasters in WOFB's 11 county service area; water, cleaning supplies, and food items are provided to member charities assisting their community with disaster relief efforts.

OUR MEMBER CHARITIES

The West Ohio Food Bank is proud to be associated with these local pantries, meal sites, and shelters. These agencies are staffed by hundreds of volunteers and supported by you and thousands of other contributors. Through this network of caring individuals over 1,000 people are fed every day.

MISSION STATEMENT

The West Ohio Food Bank is a nonprofit service organization dedicated to alleviating hunger in the West Ohio area by uniting the public and private sectors in raising awareness of hunger needs.

Our primary commitment to the eleven counties we serve is to find, rescue and distribute food to hungry people through an efficient network of charities.

United Way of Hancock County

Board of Trustees

Kay Wellman	President
Gary Selhorst	Treasurer
Randee Henson	Secretary
Pastor Kenneth Baker	Philip Compton
Karel Oxley	Jay Beggs

WE DON'T SELL NAMES !

Some donors have asked if we sell or rent names to other organizations. The answer is definitely no. So, if you receive mailings from other organizations, they did not get your name from us!
